Areas of focus for the 2022 Plan Year

Rural Housing

- Across multiple rural sub-markets, including High-Needs Rural Regions, Small Financial Institutions serving Rural Areas, Small Rural Rental Properties, and LIHTC investments, we are building upon the successes of the prior Plan cycle.
- Specifically in support of Native American housing, we are pursuing actions in both the single-family and multifamily markets across three Plan Objectives.
 - We are continuing to provide **technical assistance to organizations committed to developing or preserving multifamily housing** for Native American communities.
 - We will establish relationships necessary to **finance single-family loans on tribal trust land**, including by supporting Native CDFIs
 - We will support the **expansion of housing counseling targeted to prospective Native American borrowers**, including at least 800 consumers served as a result

What's In the Plan– Affordable Housing Preservation

124 Actions

Confront the shortage of affordable housing by expanding access in high opportunity areas, and advance resiliency and sustainable housing through enhanced energy efficiency and green innovations.

Nine Focus Areas

- Section 8 properties — Loan Purchase
- Section 515 Rural Rental Housing Program —Loan Purchase, Outreach
- **LIHTC properties** — Loan Purchase
- Other State or Local affordable housing programs —Loan Purchase
- HUD Rental Assistance Demonstration (RAD) program – Loan Purchase
- **Energy or water efficiency improvements** on single-family and multifamily – Loan Product, Loan Purchase, Research
- Shared equity programs – Outreach, Loan Purchase
- Purchase or rehabilitation of distressed properties – Loan Product
- **Residential Economic Diversity (RED)** - Loan Purchase, Outreach

Impact of our Commitments

Increased our commitments for key objectives to produce meaningful impact for AHP:

- Increased LIHTC debt purchase targets to **yield an additional 4k in preserved units in each year.**
- Create/enhance SF loan product and broaden research and increase stakeholder outreach on energy and water efficiency adoption to **decrease homeowner costs and energy/water consumption by 15% in multifamily properties.**
- Expanding affordable housing through new Housing Choice test and learn strategy **in high opportunity areas within three (3) markets.**

What's In the Plan—Manufactured Housing (MH)

47 Actions

Expanded financing for MH titled as real property, enhance acceptance of manufactured housing communities, and achieve greater utilization of manufactured homes as a favorable option when compared to traditional site-built housing.

Three Focus Areas

- Manufactured Housing **Communities under non-traditional ownership**—Loan Purchase
- Manufactured Housing Communities with certain **pad lease protections**—Loan Purchase
- Manufactured Housing **Rental flexibilities**—Loan Purchase

Impact of our Commitments

Increased Loan Purchases for all Multifamily Objectives and a new activity:

- Continue to invest in MH communities owned by non-traditional owners, including resident-owned communities (ROCs) **which is a 150% increase over baseline.**
- Establish tenant site lease protections as the standard for MH Community business, and finance **\$2.5B in UPB.**
- Invest in blighted MH communities through a new product "MH Rental Financing," which offers additional proceeds to the Borrower to enhance the community and add **approximately 2,000 new units.**

What's In the Plan-Rural

127 Actions

Provide debt and equity capital, expand the creation and preservation of affordable rental housing, improve access for rural homebuyers, and facilitate capacity building for lender and non-profit partners.

Twelve Focus Areas

- Multifamily HNRR – Loan Purchase
- **Single-Family HNRR** – Loan Purchase
- **Down Payment Assistance in HNRRs** – Loan Product, Outreach
- **Outreach in HNRRs** - Outreach
- **CDFI Investment** –Outreach, Investment
- HNRP TA – Outreach
- Native CDFI Engagement – Loan Product
- Native Homeownership Counseling – Outreach
- SFI – Loan Purchase
- Small Rural Rental – Loan Purchase
- **Small Rural Rental** – Outreach
- LIHTC Equity - Investment

Impact of our Commitments

Increased commitments to produce meaningful impact for rural markets:

- Single Family HNRR loan purchase targets by 2024, will **exceed the baseline by 30%**.
- Explore Down Payment Assistance (DPA) opportunities by **leveraging Special Purpose Credit Programs (SPCP)** in rural areas.
- Research **heirs' property** challenges that may keep homeowners from accessing the mortgage market and receiving federal disaster relief.
- Explore **CDFI equity investments** to support mortgage activities.
- Outreach that will inform potential changes to credit and pricing strategies in support of rural **multifamily properties with 5-50 units**.
