

## Federal Covid Relief Funding - INEQUITY

I would like to know how I can access the \$80,000+ cash that millions of people received under the "Federal Covid Relief Funding" such as PUA, FPUC, PEUC, American Rescue Act, Grants, economic impact payments, etc...

My SSI income was \$841.00 monthly  
My rent is now \$650.00 monthly in Section 42 Public Housing apt.'s.  
Age 67, female, single. I have 39 of 40 credits for Social Security.

The 3 stimulus checks were in name only as they were taken by the 3 permanent rent increases.  
My 2004 Hyundai car is 20 years old with costly repairs and 4 auto insurance increases, no traffic tickets.

I didn't receive the FEDERAL: PUA, CARES Act, American Rescue, Grants, 4th stimulus, etc..

Millions of Americans seemed to have received well over \$80,000-\$100,000 on top of their state unemployment checks, small business & large corporations \$, etc..., most never had covid. I had covid thought I was going to die. I now have 3 eviction notices as I continue to hear media reporting on indecisions on how to spend the "Unspent Covid Money" and congress wanting to rescind it.

I am surrounded by brand new high end cars, BMW, Lexus, Teslas, etc..., paid cash for by PUA, Cares Act, Grants, etc.. during covid.

Some got all while I continue to be under siege by the very act of the National Emergency Proclamation of 2019 and reduced to this very demeaning begging process. Why am I excluded from this Federal relief and now under siege because of it?

I would like to request back pay plus damages of the same Federal \$300.00 per week for the same 3+ years plus damages under disability, age, financial, & psychological abuses, discrimination.

Through no fault of my own

Thank you for your time and concern

Section 504 of the Rehabilitation Act of 1973 (prohibits disability discrimination)

Average: \$600.00 state unemployment plus \$300.00 weekly Federal = \$900.00 per week for 18+ months = \$64,800 plus grants, etc...

On January 31, 2020, The Secretary of Health and Human Services (HHS) declared a public health emergency under section 319 of the Public Health Service Act (42 U.S.C. 247d), in response to COVID-19.

On March 13, 2020, by Proclamation 9994, the President declared a national emergency concerning the coronavirus disease 2019 (COVID-19) pandemic.

On May 11, 2023 The Federal COVID-19 PHE declaration ended.

This would be like FEMA dealing out elderly & disabled after a declared disaster.

What is financial abuse in disability?

Financial exploitation occurs when someone improperly uses the money, assets or resources of a person with disabilities or an older adult to the abuser's advantage or to the disadvantage of the person with disabilities or older adult.

I would also like to request the Section 8 housing voucher.
