

We're excited to share what we believe is the single strongest solution for recovering lost rental profits.

██████████ is the only collection agency that reports directly to Rental Research ██████████ That means that any account you place will impact the consumers ability to secure new rental faster than with any other agency. Negotium is also the only collection agency that can access the vast rental database of Rental Research Services.

If you're thinking that this is the single greatest one-two punch in the market, you're right. Call Lee today to get your starter packet and start recovering lost profits right now!

- New state of the art collection software
- New client reports to help monitor progress on accounts
- New data scrubbing and skip tracing tools that reduce liability & increase collections
- New letter series scheduling, contacting more debtors more often
- New call schedules, contacting more debtors more often
- New state of the art phone system with call recording
- New contract, new guidance, new expertise, new dedication to customer service
