**Re: Notice of Proposed Rulemaking and Request for Comments – Members of Federal Home Loan Banks (RIN 2590-AA39)**

Dear Mr. Pollard:

On behalf of Atlantic Community Bankers Bank, I am writing to express my concerns about the notice of proposed rulemaking. While we appreciate your apparent desire to provide for a strong Federal Home Loan Bank System that supports housing, we believe the rule undermines the goal of the proposal.

Trusted and liquid housing asset tests exist already. We are required to pledge collateral, and the majority of collateral types eligible to secure advances are housing assets. Additionally, under current rules, the total amount of advances having a maturity greater than five years cannot exceed the amount of residential housing assets on my institution's balance sheet. The proposed regulation almost seems to ignore the housing nexus that is already in place. These tests work and do not impose regulatory burdens or penalties..

Based on our belief that the proposals could harm FHLBank members and generally weaken a System that has worked well for more than 80 years, we ask that the FHFA withdraw the September 12, 2014 Notice of Proposed Rulemaking.

Respectfully,
