Dear FHFA,

It was because of Fannie Mae that I was able to get a mortgage and buy a home. Also, I have my retirement fund invested in Fannie Mae. I really need that nest egg. I am 70 years old, and still working. It is taking some time for me to build up my savings since I lost money in financial crisis. I am in retirement age and can't afford to lose my retirement fund; therefore, I need my Fannie Mae stock to retain or increase value. Please remove 3rd amendment and release from conservation. Thank you again.

Best Regards
