Re: Notice of Proposed Rulemaking and Request for Comments – Members of the FHLBanks (RIN 2590-AA39)

Dear Mr. Pollard:

I am writing to express my concerns about the notice of proposed rulemaking regarding membership eligibility in Federal Home Loan Bank (FHLBanks) put forward by the Federal Housing Finance Agency (FHFA). The proposed rule includes significant and unnecessary changes to long-standing membership rules for the FHLBank system. The proposed changes are inconsistent with Congressional intent and the Federal Home Loan Bank Act (FHLBank Act). For these reasons United Community Bank of North Dakota vehemently opposes this proposed rule.

It is also crucial to point out that more than 25 years ago, Congress made it clear that community financial institutions (CFIs) such as my bank may use advances for purposes other than residential housing finance. It remains the intent of Congress today that CFIs may utilize FHLBank liquidity for commercial real estate, small business, agricultural real estate and agricultural operating loans. This fact alone highlights how this proposed rule runs counter to existing federal statute.

Broadly speaking, the FHLB Des Moines serves as a critical source of liquidity for financial institutions in Iowa, Minnesota, Missouri, North and South Dakota. They have proven to be a reliable and competitive source of liquidity for all of our financing needs in all economic environments. This rule, if adopted, would remove the certainty that the FHLB Des Moines can be counted on to be a reliable source of liquidity in all market conditions.

Your agency's proposed rules could fundamentally change how, or even whether, a depository financial institution such as ours could remain a member of a FHLB Des Moines. This is enormously disturbing. Confidence, trust and reliability comprise the bedrock upon which our long-time FHLB membership is built. We need to know that the FHLB Des Moines can provide funding on a moment's notice as it did in the recent financial crisis.

Because the proposals would harm FHLBank members and hurt housing, credit and economic growth, we ask that the FHFA withdraw the new membership rules contained in its September 12, 2014 Notice of Proposed Rulemaking and work with FHLB members to preserve the FHLBs as a reliable partner of its members that benefits local lending institutions, communities, housing, homeownership and the nation's economy.

Sincerely,

Kelly Fischer

President
