Re: Notice of Proposed Rulemaking and Request for Comments – Members of Federal Home Loan Banks (RIN 2590-AA39)

Dear Mr. Pollard:

On behalf of Mid-Missouri Bank, I am writing to express my concerns about the notice of the proposed rulemaking. While we appreciate your apparent desire to provide for a strong Federal Home Loan Bank System that supports housing, we believe the rule undermines the goal of the proposal.

It seems this rule has the potential to restrict access to liquidity at the exact point in time when more, not less, liquidity is needed in a recovering market. While many depository institutions are flush with deposits at the current time, most observers believe that this may change when interest rates inevitably rise.

Based on our belief that the proposals could harm FHLBank members and generally weaken a System that has worked well for more than 80 years, we ask that the FHFA (withdraw, reconsider) the September 12, 2014 Notice of Proposed Rulemaking.

Respectfully,

Eric McClure
President/CEO
Mid-Missouri Bank
