Comment: Congress and the Administration should strongly urge the FHFA to reconsider its opposition to residential PACE. PACE programs represent an essential free-market mechanism to save energy, allow cost reductions on utility payments for home owners that are cash flow positive in month 1, and create meaningful jobs in America for those hit hardest by the housing recession.

Congress and the Administration should strongly urge the FHFA to reconsider its opposition to residential PACE. PACE programs represent an essential free-market mechanism to save energy, allow cost reductions on utility payments for home owners that are cash flow positive in month 1, and create meaningful jobs in America for those hit hardest by the housing recession.
