Mr. Alfred Pollard, General Counsel  
Attn: Comments/RIN 2590-AA53  
Federal Housing Finance Agency, Eighth Floor  
400 Seventh Street, SW.  
Washington, DC 20024

Dear Mr. Pollard:

Do you seriously consider an investment in clean energy to be a bad one? I can't believe you are advising Fannie Mae and Freddie Mac to avoid purchasing mortgages from homeowners who have invested in clean energy technologies.

How hot does it have to be and how many US cities need to sit under water before we wake up and put a premium on energy that will help provide a safe future and environment.

Sincerely,

Karen Giacopuzzi
