Subject: RIN 2590-AA53 - Restore PACE programs now

Aug 16, 2012

Mr. Alfred Pollard
1700 G Street, NW, 4th floor
Washington, DC 20552

Dear Mr. Pollard,

First of all, please withhold my email and home addresses from the public record.

Second, I urge the Federal Housing Finance Agency to reverse its position and restore Property Assessed Clean Energy (PACE) programs, which are important to property owners. Now I am a renter. But I would like to see solar panels on my apartment rooftop to help not only myself but also to help the owner to save money AND also to create SAFE, efficient, and renewable energy for all tenants.

In short, the PACE program needs to expand to help apartment owners in addition to helping house owners. Since PACE helps business owners, then PACE can help apartment owners as this is a big business.

Sincerely,

Ms. Terry Ellen Robinson
