Subject: RIN 2590-AA53 - Restore PACE programs now

Mar 16, 2012

General Alfred Pollard

Dear General Pollard,

[Please withhold my email and home addresses from the public record.]

I understand that budgets are tight but not only do PACE programs provide jobs in a time where those are needed they also help homeowners save money. The long term rewards to these programs far outweigh the short term costs.

I urge you to withdraw the July 2010 directive that froze PACE programs and allow these programs to move forward. Hundreds of communities in the 27 states that have passed PACE-enabling legislation are counting on your agency to reinstate these programs at a time when we need them most.

Sincerely,

Miss Amelie Davis
