Subject: FHFA Proposed Rule on Certain Private Transfer Fee Covenants (RIN)
2590-AA41

TO whom it may concern: With respect to the above FHFA Proposed Rule, I urgently request that community associations be allowed to receive transfer fees from members of the community association. These fees are invaluable to the infrastructure of our community, and make it possible to maintain roads, bridges, landscaping and all those infrastructure items which benefit all property owners,

Glenn O. Brown
