90% of Manhattan coops and condos have flip taxes

this law is written WITHOUT the awareness of this fact.

Unless you want to be featured in the next documentary on what killed the new York economy you will not pass that law. you will single handedly be responsible for creating a post Lehman destruction of the economy .

The country has barely recovered from the first Lehman debacle

please save the country and DO NOT allow that rule to pass

the time frame from it passing

to you figuring out the destruction you have created

even if for 7 days

will sabotage the new York economy.

A studio costs a million dollars here.

I trust you will do the right thing

And protect mankind.

A
