Submitter Info:

I oppose the referenced Guidance for Private Transfer Fee Covenants. This is an area that does not require government interference and would further stymie an already struggling housing industry. PTF's well go far to revive the economy, restore jobs and lower the cost of home ownership. I believe that very clear disclosure should be a part of every PTF sale so that there is transparency for buyers. Please leave this decision to willing buyers and sellers. The market will adjust accordingly. Ab Conner, 281 Graystone Lane, Auburn, AL
