Subject: Guidance on Private Transfer Fees Covenants (NO 2010- N-11)

I write on behalf of 571 cooperative/condominium, located at 571 Hudson St NYC NYC 10010. We strongly disagree with the above captioned proposal which we consider wrong and harmful to housing communities and their residents. The transfer fees we collect are used to fund needed capital improvements to our building and to replace aging building systems. Without transfer fees, our board would have to substantially increase monthly carrying charges in order to maintain our building. This will inflict financial hardship on our shareholders/unit owners and could result in defaults, displacement for individuals and , poorer quality of life s. We urge FHFA to protect the right of housing cooperatives and condominiums to preserve affordability by continuing to collect transfer fees.

Thank you,

Dwaine Elle (Your Name and Board Title)

Please do not restrict financing on cooperatives with private transfer fees. These fees are a crucial tool helping provide affordable amenities to well planned communities.
