

# ENDANGERED HABITATS LEAGUE

DEDICATED TO ECOSYSTEM PROTECTION AND SUSTAINABLE LAND USE

October 9, 2010

The Honorable Alfred M. Pollard  
General Counsel  
Federal Housing Finance Administration  
1700 G Street, NW, Fourth Floor  
Washington, DC 20552

Dear Mr. Pollard,

I am writing to request a meeting regarding the proposed guidance for Private Transfer Fee Covenants from the Federal Housing Finance Agency (FHFA), issued on August 16, 2010 (N.2010-N-11). For your reference, the Endangered Habitats League is dedicated to the protection of the diverse ecosystems of Southern California and to sensitive and sustainable land use for the benefit of all the region's inhabitants.

Our organization is concerned about the unintended consequences of the proposed guidance and if granted an opportunity to speak with you, would bring in other environmental and related groups. Due to geography, a conference call would be preferable.

I can be reached at (213) 804-2750 or <[dsilverla@me.com](mailto:dsilverla@me.com)>. Thank you very much for your consideration.

Sincerely,

Dan Silver  
Executive Director
