**Subject:** Loan Assistance for Mobile home owners  
Dear Sir:

We all consider these loan needs as serious. We also feel that the owners of these mobile home Parks need Federal guidelines and pressures to flatten and even reduce the land rental figures every few years. Their constant upticking of their land rent figures borders on "usury" at times, and Federal Overlook and guidance is needed to prevent such overcharges, that foreces older mobile Home Owners to give away their homes due to excessive land rent figures.

We appreciate your taking these factors into account when considering the Owners request for your consideration.

Respectfully submitted
