Re: RIN 2590-AA27

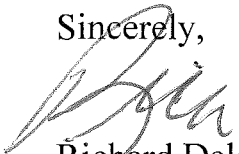

Dear Mr. Pollard:

West Coast is a regional operator of mobile home parks. We operate in Washington, Oregon, California, Arizona and Nevada.

I have read the proposed law and think something is falling through the cracks here. Most people who buy mobile homes do so as economic choice. The proposed law disfavors mobile home living and while it appears to serve a need, it is poor public policy and would, in fact, be regressive.

I urge a vote against the proposal.

Sincerely,

Richard Delaney
