Subject: Fannie Mae adn Freddie Mac financing of Mobilehomes

Please expand loan availabilty for purchase of mobilehomes whether these sit on leased or resident owned property. Mobile homes constitute close to half of new home purchases and yet buyers, many of whom can ill afford to pay higher interest rates, are charged higher rates that other home purchasers. Please do what you can to equalize this situation or, for a time, perhaps to even better the position of mobilehome buyers. The risks are much less that for conventional housing as the purchase prices are generally a fraction of conventional.

Thank you so much, Alanna McMahan
